## Track and Field

My appreciation and admiration  
for Dick Brown for his magnificent  
contributions to our sport over  
the years.

Dick -

We really enjoyed this article -- makes us  
even more aware of how much we admire you,  
"your girls", and appreciate knowing you  
and following your careers with great  
interest.

Sorry I didn't get the article all clipped  
and copied, but maybe one of you would  
rather have this original???

By the way, do you have an address for  
Michelle and Steve Ave?

Thanks, and continuing best wishes to  
you and Marlene - hope to see you soon.
